The Gillmor Student Center

The Gillmor Student Center has been the home arena for Tiffin University basketball since the 1988-89 season - and, like the saying goes, there's no place like home.

Since the basketball team began playing its games in the Gillmor Center, the Dragons have compiled an overall record of 158 wins and 77 losses. In the 16-year history of the center, TU has only had four losing seasons on the floor. The Dragons have a winning percentage of .672 in the Gillmor Center, including a 72-12 record between 1988-1993.

In addition to the main auditorium, the building also contains over 17 offices, shower and locker rooms, a training room, a bookstore, a media conference room, a Student Activities room, the Student Affairs offices, the Channel 10 broadcast center, the Tiffin University Hall of Fame, and Trophy Gallery.

A complete renovation of the Gillmor Center was recently completed. The Dining Commons, the Osceola Theater, a student lounge, expanded recreation room, numerous new offices, and expanded parking areas are just a few of the new renovations. The complex nearly tripled in size and has grown to service even more of the Tiffin University community.
