

Message from Coach Rudy Brownell:

Dear Coach,

The Tiffin University Men's Soccer Program would like to invite you to the 2009 High School Soccer Team Camp! This camp is dedicated to teaching players the fundamentals that have been the foundation of our soccer program since its inception.

We would like to invite your team to receive first class instruction from a professional coaching staff and our players in hopes that your players will go on to compete as a collegiate student-athlete. Let us help you achieve your team's goals and dreams through a positive attitude, strong work ethic, and discipline! We hope to see you here at Tiffin University on July 10th for our High School Team Soccer Camp, ready to watch your players become better team players and individuals!

GO DRAGONS!

Sincerely,

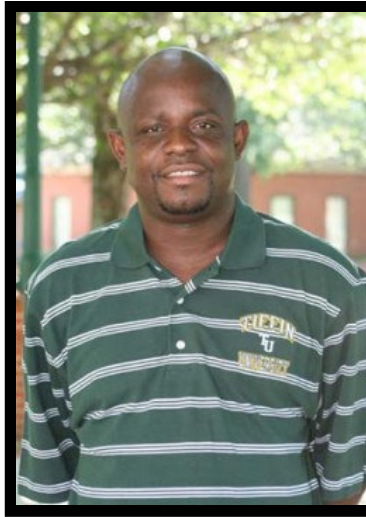

Rudy Brownell
