### AWARD INFORMATION AND CERTIFICATION

For summer financial aid, in most cases you will only be awarded Federal Direct Student and Parent Loans, and Federal Pell Grants you are eligible for. Please note, any Pell Grants and/or Stafford Loans you receive for the summer will reduce the amount of your fall 2009 and spring 2010 awards. In most cases, your 2009-2010 Pell Grant and Loans will be divided over three semesters if you take classes summer, fall, and spring.

\*\*\*\* If you are applying for summer financial aid, you must file the **2009-2010 Free Application for Federal Student Aid (FAFSA)**. Please return all financial aid documents to the financial aid office as soon as possible. All documents must be received prior the last day of summer school for the classes you register for. You must notify the financial aid office if you change your enrollment plans as specified above.
