This sheet should be returned to the Office of College Credit Plus using the provided return envelope or emailed to ccp@tiffin.edu. When the schedule is released, a Course Selection Sheet will be sent to all CCP students with a copy of the schedule or instructions on how to access the schedule.

By signing, the high school guidance counselor acknowledges that he/she has provided consultation for the above named student registration for CCP courses, helping the student to understand the requested Tiffin University courses are subject to availability and day/time changes, which may be reflected on the student’s schedule. The consultation also includes consequences of failure to withdraw from a course by the provided “last day to drop” and other applicable CCP guidelines.
