INSTITUTIONAL DISCLOSURES UNDER THE HIGHER EDUCATION ACT OF 1965, AS AMENDED BY THE HIGHER EDUCATION OPPORTUNITY ACT OF 2008

The Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA), includes many disclosure and reporting requirements. A disclosure requirement is information that an institution of higher education is required to distribute or make available to another party, such as students or employees. A reporting requirement is information submitted to the U.S. Department of Education or other governmental agencies. Disclosure and reporting requirements sometimes overlap. For certain topics, institutions are required to make information available to students or others and to submit information to the Department of Education.

Tiffin University is committed to providing access to information that will allow consumers such as students, parents, counselors, researchers, and legislators to make informed decisions about postsecondary education.

NOTICE OF AVAILABILITY OF FINANCIAL AID INFORMATION

Institutions of higher education must annually provide to all enrolled students a notice setting forth the information required to be made available to students under the Higher Education Act of 1965 (HEA), as amended by the Higher Education Opportunity Act of 2008 (HEOA). The notice must list and briefly describe the information and include a statement of the procedures required to obtain the information. For information listed in the notice that is disclosed on an institution's website, the notice must include the exact electronic address and a statement that the institution will provide a paper copy upon request. This information is posted on Tiffin University's website via the links set forth below.

CONTACT INFORMATION FOR ASSISTANCE IN OBTAINING INSTITUTIONAL OR FINANCIAL AID INFORMATION
