

BACHELOR OF BUSINESS ADMINISTRATION

ACCOUNTING

If you have an analytical mind, strong attention to detail and a passion for solving problems, then Tiffin University's accounting program might be for you. In a field that is needed for just about every business, accounting continues to be in high demand. According to the Bureau of Labor Statistics, employment of accountants is projected to grow 10 percent from 2016 to 2026, faster than the average for all occupations.

Our program will prepare you for a career in business, government and public accounting. We will educate you in business management, auditing and finance to make you stand out above all of the other applicants. You will also gain hands-on experience by utilizing technology such as accounting software, databases, flowcharting software and tax software. Additionally, you will get the chance to work closely with your professors to learn about careers, gain advice and develop your academic plan.

Tiffin University prepares you for work towards licensure and certifications, like the certified public accountant (CPA) licensure, the certified fraud examiner (CFE), certified management accountant (CMA) and certified financial manager (CFM).

We will provide you with a solid background for a successful career in accounting. Our coursework will further differentiate you from other candidates:

- ACC228 Managerial Accounting
- ACC 301 Intermediate Accounting I
- ACC302 Intermediate Accounting II
- ACC304 Federal Income Tax
- ACC313 Cost Accounting I
- ACC314 Cost Accounting II
- ACC385 Applied Analytics in Accounting
- ACC403 Accounting Information Systems
- ACC404 Auditing

One of the following:

- ACC405 Fraud Examination Accounting
