

FEDERAL TITLE IV FINANCIAL AID AUTHORIZATION AGREEMENT

Student Full Name *(please print)*

Student ID Number or Social Security Number

Title IV funds are federal student aid funds, which are from federal student aid programs administered by the U.S. Department of Education. The U.S. Department of Education regulations only allow schools to use your Federal Student Aid to pay for current academic year institutional charges of tuition, mandatory fees and room and board, unless you have granted permission to apply these funds to non-allowable charge. Title IV funds include direct subsidized/unsubsidized loans, Direct Graduate PLUS Loans, Direct Parent PLUS Loans, Federal Pell Grants, and Federal Supplemental Educational Opportunity Grants (SEOGs). Federal Title IV funds do not include funds from the University, State or other private organizations. Examples of non-allowable charges that you are authorizing your federal financial aid to cover may include but is not limited to prior year charges up to \$200, parking fines, bookstore charges, late fees, health insurance.

- If you do not sign and return this authorization form, the University must assume that you wish to restrict the use of your financial aid and you would be billed for the non-allowable charges. These charges would be due when billed and must be paid at that time. Your financial aid funds will only cover tuition, mandatory fees and University billed room and board charges. You will be personally responsible for remitting payment for any other charges and fees on your student account.
- The authorization is voluntary and remains in effect while you are a student at Tiffin University unless the authorization is rescinded. It may be rescinded by sending a written request to the Office of Student Accounts at Tiffin University, 155 Miami Street, Tiffin, OH 44883. The authorization would be revoked at the time the written request is received.

With my signature below, I authorize Tiffin University to apply my federal Title IV financial aid to any and all fees and charges on my student account. I further certify that this authorization when used to apply current financial aid to prior academic year charges up to \$200 will not cause me financial hardship. I understand that this authorization will remain in effect as long as I am a student at Tiffin University, unless I rescind the authorization by notifying the Student Accounts Office in writing at 155 Miami Street, Tiffin, OH 44883 of my intention to revoke this authorization.
