

## Assistant Professor of Exercise Science

**JOB TITLE:** Assistant Professor of Exercise Science

**DEPARTMENT:** School of Arts & Sciences

**SUPERVISOR:** Dean of the School of Arts & Sciences

Tiffin University was established in 1888 and now offers nationally accredited graduate and undergraduate degrees in Business Administration, top-notch bachelor's and master's degrees in Criminal Justice and Social Sciences, and distinctive degrees in the Arts and Sciences. All through our history, the University has nurtured a student-centered setting and a strong sense of real community for our students, faculty and staff. Tiffin University has always believed in offering the highest quality education – “an education for life.”

The main campus in Tiffin is a beautiful 130-acre blend of traditional historic and modern buildings that create a vibrant and warm home for an educational community. In addition to the growth in Tiffin, TU graduate and undergraduate programs are offered online and at Cincinnati, Columbus, Fremont, Toledo, and at several sites in the Greater Cleveland area. The MBA is also offered at Bucharest, Romania.

From academic programs in sports and recreation management to homeland security/terrorism, communication and management, TU offers more than 25 majors through on-campus and online learning that result in real advantages for our students.

### GENERAL JOB DESCRIPTION

The Assistant Professor of Exercise Science will teach both lecture and lab courses at the undergraduate and graduate level in Exercise Science and Clinical Exercise Physiology. This faculty member will be a part of a growing academic program, and work in a 2800 sq. foot state of the art science lab. This position will be responsible for service to the university, service to the community and research in the field.

The Assistant Professor of Exercise Science at Tiffin University is appointed to a nine-month faculty contract during each of the fall and spring semesters of the Academic Year. This position must teach a minimum of 12 contact hours each semester (a one credit hour lab course qualifies as three contact hours). The successful candidate will be responsible for teaching undergraduate and graduate courses, in exercise physiology and other relevant courses as needed within the School of Arts & Sciences. The successful candidate will be responsible to use and maintain lab equipment and software within the Exercise Science Laboratory, a 2800 square foot facility dedicated to the education and development of students.

## MAJOR DUTIES AND RESPONSIBILITIES

- Teaching face-to-face lecture and laboratory classes and online courses at the undergraduate and graduate level in the School of Arts & Sciences.
- Will teach four contact hours in both the fall and spring semesters. The summer semester does not require teaching, but the faculty member can engage in optional summer teaching.
- Will attend department, school, and university meetings
- Will serve on university, school and other committees as appointed.
- Will advise and mentor undergraduate students
- Will supervise internships and individually guided studies
- Will handle other duties as assigned by the School of Arts & Sciences Dean
- Create and promote a positive and supportive work environment.
- Personal qualities of integrity, credibility, and unwavering commitment to Tiffin University's Guiding Principles.
- Excellent verbal/written communication and presentation skills.
- Ability to work as part of a team.
- Ability to work with people from a variety of culturally diverse backgrounds.
- Provide leadership in internal and external communications

## QUALIFICATIONS FOR THE JOB

- **Education:** Preference is a Terminal Degree in the field of exercise science.
- **Experience:** Preference is prior teaching experience in the field of exercise science.
- **Other:** N/A

## EXPECTED KEY COMPETENCIES (ORGANIZATIONAL FIT)

**Interdependence:** Fosters collaboration

**Communication:** Strong decision-making and communication skills

**Accountability:** Formulates effective and progressive strategies aligned with the University's mission and values
