## GUIDING PRINCIPLES

**PURPOSE**  
What we are about:  
Transforming lives through education.

**MISSION**  
What we do:  
Educate students by linking knowledge to professional practice.

**VISION**  
What we want to be:  
A premier university for challenging students to enhance their global competencies and 21st century skills, for success in a diverse world.

**STRATEGIC PRIORITIES**  
Where we will focus:

- Create an environment focused on student success. (Students)
- Grow innovative academic programs. (Academics)
- Optimize our organizational capacity. (People)
- Strengthen and increase institutional financial sustainability. (Finances)
- Enhance our critical infrastructure. (Facilities and Technology)

#### VALUES

How we behave - ICARE

**Interdependence**  
We are an inclusive and caring community that emphasizes service as a foundation of success.

**Communication**  
We engage in authentic dialogue, timely exchanges of information, and fact-driven discussion, civil debate, and decision-making.

**Accountability**  
We make ethical, responsible decisions that have a high degree of integrity, are data-informed, and are results-oriented.

**Respect**  
As a portal of equal access to education and information, we model civility and compassion; we embrace diversity as an essential component of creating a rich university experience for everyone.

**Entrepreneurship**  
We prize innovation and creative thinking as hallmarks of successful participation in the global marketplace.
