

TU MOBILE ID for Android Devices

Access your official Tiffin University ID, residence halls and room, library card, meal plans and meal plan dollars conveniently with just your Android device.

Requirements:

- All students must have taken an ID photo at orientation or submitted a photo at tiffin.edu/life-at-tu/residence-life.
- Android must be version 6.0 or later.
- Android must have a built-in NFC connection.

Step 1:

- Go to the Google Play Store.
- Download the Atrium Campus Connect App.

Step 2: Setting Up Your Tiffin University Mobile ID

Follow the instructions below to activate your TU Mobile ID. Once activated, the TU Mobile ID will be available for immediate use.

- Use your phone's settings search to find and enable NFC (Near Field Communication). You can also check your device manual if needed.
- Open the Atrium Campus Connect app and enter Tiffin University as your school.
- Log in using your TU single sign-on information, then follow the prompts to activate your TU Mobile ID.
- Go to Credentials, then tap Create Mobile Credential. When complete, the status will show as Active in green.

****Access to building doors will be available in 10-15 minutes after activating your TU Mobile ID on the Atrium Campus Connect App.**

If you have questions or issues with your download, please contact pcotech@tiffin.edu or call **419.448.3430**.
