

TU MOBILE ID for Apple Devices

Access your official Tiffin University ID, residence halls and room, library card, meal plans and meal plan dollars conveniently with just your iPhone or Apple Watch.

Requirements:

- All students must have taken an ID photo at orientation or submitted a photo at tiffin.edu/life-at-tu/residence-life.
- iPhone must be iPhone SE, iPhone 6s, iPhone 6s Plus or later running the latest version of iOS 16 or above.
- Apple Watch must be Apple Watch Series 1 or later running the latest version of watchOS.
- Apple devices must have a built-in NFC connection.

Step 1:

- Go to the App Store for iPhone.
- Download the Atrium Campus Connect App.

**International phone users: If you experience an error in loading the app in the App Store, be sure your Apple Account country or region is set to the United States.*

Step 2: Setting Up Your Tiffin University Mobile ID

Follow the instructions below to activate your TU Mobile ID. Once activated, the TU Mobile ID will be available for immediate use.

- Open the Atrium Campus Connect app and enter Tiffin University as your school.
- Log in using your TU single sign-on information, then follow the prompts to activate your TU Mobile ID.
- In Settings > Credentials, tap Add to Apple Wallet (or Apple Watch). When complete, the pass will show as Active.
- Open your iPhone's Settings > Wallet & Apple Pay, select your TU ID under "Other Cards," and make sure Express Mode is turned ON.

****Access to building doors will be available in 10-15 minutes after activating your TU Mobile ID on the Atrium Campus Connect App.**
