

Take Blaze on an Adventure!

Show us where Blaze goes this summer

Adventures with Blaze instructions:

- 1. Print Blaze:** Print both the front and back pieces of Blaze on standard paper.
- 2. Cut it out:** Carefully use scissors to cut out along the green line, ensuring clean edges.
- 3. Assemble Blaze:** Align the front and back, then adhere them together, using glue or tape.
- 4. Capture the moment:** Take a photo of Blaze on your travels.
- 5. Share your journey:** email alumnioffice@tiffin.edu your pictures, or post directly on social media using #AdventuresWithBlaze #FlatBlaze. Start submitting your photos on Monday, May 11.
- 6. Follow along:** Check back every Friday from Memorial Day to Labor Day to see featured photos and track Blaze journey around the world!

Tips for durability:

- Print Blaze on heavyweight cardstock or laminate him after assembling for extra sturdiness.
- Attach a popsicle stick to the back with tape or glue to help hold Blaze in place for photos.
